Thanks to Playford Communities for Children and the Platform, we are offering a creative social skills development program again in 2025 for young people with Autism and their families. So come along and enjoy games, cooking and other fun activities while meeting new friends in a positive supportive environment. We have a special event at the end of every term with extra treats for all!

While this group is for children aged 8 - 14 (negotiable) on the disability or Autism Spectrum, siblings are welcome to join the fun too!

We ask that each child has a parent or support worker present while participating. Coffee, tea, drinks, and snacks will be provided
(Vegan and gluten free snacks Available)
